By entering into this Agreement, you consent to receive such information electronically and acknowledge that you are able to access such documents. We will provide you a notification in writing, either electronically or in hardcopy format, when a document is ready for access. You understand that electronic delivery involves risks related to system or network outages that could impair the timely receipt of or access to the aforementioned documents. The decision to do business with us electronically is yours. This document informs you of your rights concerning Disclosures.
