

Global Finance Names The World's Best Private Banks 2023

NEW YORK, October 19, 2022 — *Global Finance* has announced its eighth annual World's Best Private Banks Awards for 2023. A full report on the selections will appear in the December print and digital editions of *Global Finance* as well as online at GFMag.com.

Global Finance's eighth annual Private Bank Awards honors banks that best serve the specialized needs of high-net-worth individuals as they seek to enhance, preserve and pass on their wealth. The winners are not always the biggest institutions, but rather the best—those with qualities that individuals rate highly when choosing a provider.

Global Finance's editorial board selected the winners for the Private Bank Awards with input from executives and industry insiders. The editors also use information from entries submitted by banks, in addition to independent research, to evaluate a series of objective and subjective factors. This year's ratings were based on performance during the period covering July 1, 2021 through June 30, 2022.

"When it comes to private banking, business owners and top finance-sector executives are sophisticated and knowledgeable clients, savvy to economic and financial trends, but with a fantastically broad array of needs," said Joseph Giarraputo, founder and editorial director of *Global Finance*. "*Global Finance's* Private Bank Awards awards highlight institutions that deliver both on the numbers and on the human side."

Winning organizations will be honored at *Global Finance's* annual World's Best Private Bank Awards Ceremony in New York City in early March.
